EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Eric Robinson on 3/2/05.

The application has been amended as follows:

IN THE CLAIMS:

Cancel claims 4 and 5.

In claim 9, line 2, delete "1," and, "4, 5";

In claim 10, line 2, delete "1," and, "4, 5";

In claim 11, line 2, delete "1," and, "4, 5";

In claim 12, line 2, delete "1," and, "4, 5"; and

In claim 13, line 2, delete "1," and, "4, 5".

2. The following is an examiner's statement of reasons for allowance:

The primary reason for the allowance of the claims is the inclusion of the feature of manufacturing a semiconductor device by a method that comprises the steps of forming a semiconductor film over a substrate; holding a catalytic element that promotes crystallization of the semiconductor film in contact with an entire surface of the semiconductor film; irradiating a laser beam from one side of the film toward

another side to sequentially crystallize the semiconductor film, and after the irradiation with the laser beam patterning the semiconductor film to form at least first and second semiconductor islands which is not anticipated nor rendered obvious over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
